## TRAFFIC CALMING VIEWS SOUGHT

A number of people in Halegate Road have asked for some form of traffic calming because of the speed that some vehicles are travelling along that road.

At a recent meeting, it was decided to consult the residents as to their preference for the type of calming installed.

Cllr Colin Rowan said: "I am keen to hear the views of people in the area and if anyone has strong feelings, please do get in touch with me at the contact details overleaf".

## MAKE YOUR OPINIONS COUNT

Halton Conservatives have been undertaking regular surveys across both Widnes and Runcorn over the last few months to try to get to know exactly what issues matter to YOU.

If you have not yet let us know your views, please do so over the page and return to us at the freepost address noted.

YOUR views will then form the basis of our manifesto at the next local elections so that Halton people can vote on them.
